Dear Mr. Venkatesa Iyengar.

I return the draft with two points of opinion Variation:

1). We agreed to recognise French Latin as optional alternative 'Second Language' so that students of the St. J.'s College could opt for them. "Adequate provision" seemed support we have agreed to arrange for teaching them in our own College.

We do not agree to give, nor can we give under affiliated College is made Equivalent to a Constituent College, the

Same privileges in representation. It seems

better to express this similar privileges

or adequate representation

(My dear Lord Bishop,)

Kindly see your letter dated the 12th instant enclosing a summary of the main points agreed on at the discussion of the 9th instant on the subject of the affiliation of ~~the~~ St. Joseph's College to the Mysore University.

I have had the summary examined and find that it is on the whole quite a correct statement of what took place at the meeting. Clause (6) is a little wider than is necessary for our present purpose and clause (7) has to provide for the distinction between the constituent colleges and an affiliated aided college. These clauses may, therefore, be slightly amended as in the enclosure herewith sent.

It seems to me that clause (8) is unnecessary, as between the College and Government, an agreement ~~being~~ quite as binding. It may, therefore, be omitted.

As understanding Com to

I am ~~sure~~ your meeting fixed for the 20th instant will find the arrangements ~~agreed upon~~ quite satisfactory.

Dewan of Mysore.

Dear Sir,

I have to acknowledge with thanks receipt your letter dated the 19th February with its enclosure.

Will you permit me to point out that the deputation which waited on you at your request on the 9th Fbt did not come, and could not come, to any agreement with the Government of His Highness the Maharajah on the subject of the affiliation of St. Joseph's College. The object of the deputat was to make itself acquainted with the reasons why the Gove of His Highness pressed for the affiliation of St. Joseph's College to the University of Mysore in the event of the Civil and Military Station being retroceded, wholly or partly, to t Mysore Durbar.

The correspondence that has passed between us on this subject was placed before a meeting of the leading representatives of the Catholic community on the 27th February and, after a very careful consideration of every aspect of the case, the meeting unanimously resolved that the interests of community will be best served by St. Joseph's College continui to be affiliated to the University of Madras.

I am sending copies of this correspondence to the Hon'ble the Resident.
